Michigan Taser Distributing

January 4, 2005

Dear Valued Taser Customer:

I am happy to introduce myself as one of the newest members of Michigan Taser.

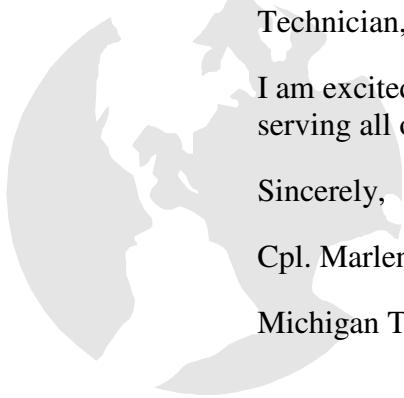

My Law Enforcement background dates back to July, 1974 when I became a Military Police Officer/Investigator with the U. S. Army. I then spent two years with the Junction City Kansas Police Department before joining the Dearborn Police Department in 1978. I have recently retired from the Dearborn after serving 27yrs. During my time with Dearborn, I was assigned to Narcotics, Special Operations, Youth Bureau, and Patrol. I was a Field Training Officer, DARE Officer, Evidence Technician, and Taser Instructor.

I am excited, and looking forward to working with Michigan Taser customers, and serving all of your Taser needs.

Sincerely,

Cpl. Marlene R. Brennan (ret.)

Michigan Taser Distributing

"If you fail to train, then, plan to fail."
