Biography

I am retired as a Lieutenant with the Livonia Police Department after 24 years, last assigned to the Community Security and Response Unit (Homeland Security). I have also researched, trained and implemented Livonia's Taser program for 158 officers, learning valuable lessons and gaining great insights.

I am a former member of the department's S.W.A.T. team for 16 years, last assigned as Entry Team Leader. I am an instructor in the following areas; Special Weapons and Tactics, Firearms, Less Lethal/Extended Range Impact Weapons, Advanced Taser Instructor, Chemical Munitions, Advanced Hostage Rescue, Crowd Control, Civil Disturbance Tactics, Confrontational Simulation Situations/Reality Based Training and WMD; Awareness and Operations Level Training for Chemical, Biological, Radiological and Explosives.

In addition, I am a member of the Wayne County Law Enforcement and Criminal Justice Training and Advisory Committee, the American Society for Law Enforcement Trainers and the International Law Enforcement Educators and Trainers Association.

I am also an adjunct instructor for Schoolcraft College for police officer in-service training in numerous areas and an adjunct professor for Madonna University teaching Criminal Justice academic courses.

I look forward to serving your Taser needs and please make note of the new contact information for Michigan Taser Distributing.
