Compact Size small, lightweight & made for everyday carry

TASER

X2™ ECD BENEFITS

HIGH PERFORMANCE

■ DUAL LASERS

Takes the guess work out of aiming.

■ CROSS-CONNECT

Provides 6 different dart configurations in case of a missed shot.

■ PERFORMANCE POWER MAGAZINE

Provides more than 500 firings.

■ WEATHER PROOF

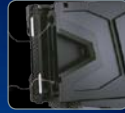

Greater resistance to rain, humidity and other elements.

■ SELF DIAGNOSTICS

Tells you if the device is healthy or has a problem.

MORE EFFECTIVE

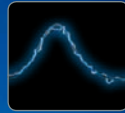

■ BACKUP SHOT

Recover from missed shots or engage multiple targets.

■ WARNING ARC

Helps prevent conflict from escalating.

■ CURRENT METERING

Measures and accurately delivers the precise amount of current.
